SIR,

...ents that still remain, it is necessary that the ... should be retained on a permanent feature. Allowing one week (e... during the journey time) for each local audit limiting the itinerary ... days in a month, one auditor may be expected to inspect 15 offices and ... institutions in a year on the average. At this rate, two auditors will be able to complete the audit of all ... districts once in three years regularly and this would seem to be sufficient in the present circumstances.

4. I recommend that a staff of two auditors may be made permanent with effect from the date of expiry of the present sanction and may be on the scale of Rs.40-4-100 so as to be interchangeable ... First Division Clerks of the office.

5. The extra cost will be Rs.150/- a month or Rs.1800/- a year. ... addition of Rs.300/- towards the travelling allowance of the ... visits @ Rs.50/- each, and a lumpsum provision of Rs.100/- to... contingencies, the total cost comes to Rs.2350/- a year, ... saving of Rs.970/- in the present cost.
